

TROPHIES OF GRACE

A LIFE WORTHY OF THE CALLING

Ephesians 4:1-6

1. Paul's letter to the Ephesian Christians can be divided into two halves: Truths about our identity and challenges to our behavior.

Who you are should determine how you are!

Ephesians 4:1 & Galatians 5:25

2. The motivation for our choices must be rooted in God's gracious calling:

How you live shows how you value God's

gift. Philippians 1:27

3. Worthy living is really worthy loving:

Ephesians 4:2

THE WORTHY WALK...

Humility that leads to gentleness with others

Patience that leads to bearing with others

4. All this leads to Paul's **ONE** big goal:

If we love, we will be united in what matters! Ephesians 4:3-6 & John 13:35

"For God's sake, love out loud!"
