

# ADVICE FROM JOE: “WHATEVER!”

Hebrews 11:22

1. Living in hope can be summed up in a word: Whatever!  
Philippians 1:27
2. Joseph would advise us to approach “whatever”  
with the same faith.

3. Joseph’s best advice on undying hope may be his  
last:

***“Always look where you are going!”***
