

# GET A JOB!

THE PATH TO FINDING HOPE IN PAIN | Job 19:25-26

1. Pain comes to everyone, so sometimes our job is to be Job.  
(Job 14:1-2)
2. Job's response reveals a path to peace in pain:  
*We get to choose how pain changes us!* (Job 1:20-22)
3. When trouble comes: *GET A JOB!* ...but get the right one!

## NOT MY JOB!

1. My job is NOT to explain why bad things happen (Job 34:10-11)

### Unreliable Spiritual Math:

*You + Bad Behavior = Suffering*

*You + Good Behavior = Pleasure*

2. My job is NOT to be the fairness police (Job 13:3)  
*God worries less about our concept of fairness than with our commitment to faith!*
3. My job is not to tell God how to be God (Job 40:1-4)  
*The oldest temptation is still the strongest: I am not God!*

## MY JOB IS TO BE JOB!

- Be Job in honesty in pain (Job 3:23-26)
- Be Job in faith in patience (Job 13:15)
- Be Job in pointing towards my Redeemer (Job 19:25-26)

***"Today, I will let God do his job and I will be his Job!"***

Hope For All
