

# RAISING SELFLESS KIDS IN A SELFISH WORLD

1. We live in a world that says, "You should be first!"
2. But we serve a Lord that says, "Others should be first!"  
Philippians 2:3

Raising selfless kids means fighting two keys sins:

Laziness and greed.

Godly parents teach industry and  
generosity.

Industry: Willingness to work. Exodus 20:8-10

Lazy lies: You want happiness?

Let someone else work!

Generosity: Willingness to give. Luke 6:38

Greed's lies: "To be happy, just be stingy!"
